

KWBWA Member Spotlight

Kendra Allen

Travel and Tour Coordinator, Frederick Travel

Kendra@ftwaterloo.com

We are honoured to highlight Kendra Allen, our President of the Kitchener Waterloo Business Women's Association. Kendra is a glowing example of professionalism and leadership in our group. In the first of our KWBWA Member Spotlight series, we would like to share a little about Kendra and her work. As an example of her leadership, Kendra has been a member of the KWBWA for 11 years, and has served on the board for 10 of those years. Thank you Kendra!

With an extensive background in sales, customer service and marketing, Kendra recently made the change to the travel industry and is now a 4th generation travel professional. Working closely with her Dad, Scott who built the successful family business, she provides exceptional service for new and existing clients and is learning more about the specialty group fields the agency handles. Just recently Kendra completed a unique group project for over 160 passengers and 8 group projects. We encourage you to reach out to Kendra for your group tours, leadership programs and educational travel needs.

Specializing in group tours, educational travel, leadership programs and more! "Pack your bags, we'll do the rest".
